**PETITIONING THE COURT**

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 7/27/2021.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

7

**Special Condition #5:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** The offender is alleged to have violated special condition number 5, by ingesting a controlled substance, methamphetamine, on or about July 26, 2021.

On March 26, 2021, Mr. Edmondson's conditions of supervision were reviewed and he signed said conditions acknowledging an understanding of his requirements. Specifically, he was made aware by his supervising officer that he must abstain from the use of controlled substances.

**Re: Edmondson, Robert D.**

**Page 2**

On July 29, 2021, Mr. Edmondson reported to the U.S. Probation Office and submitted a urine specimen that returned positive for methamphetamine. He informed the probation officer who collected the urine sample that he thought he informed the undersigned of his recent methamphetamine use. Mr. Edmondson later retracted this statement, as he had not informed this officer of his drug use. Subsequently, he signed an admission form acknowledging use of methamphetamine on or about July 26, 2021.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
